MyCellAssist™

Providing support for patients and caregivers through every step of the cell therapy treatment journey

Your Cell Therapy Navigator (CTN) will be your guide for all of your treatment journey questions and concerns. They are here to make your journey as seamless as possible, helping you access the programs, resources, and materials that you may need.

Travel Assistance Program

MyCellAssist may offer transportation and lodging support for eligible patients and their caregiver(s) during the treatment journey.*

*Eligibility requirements apply.

US WorldMeds Treatment Access Program

MyCellAssist may provide financial assistance for product costs to eligible patients who are uninsured or underinsured.†

†Eligibility requirements apply. Financial assistance only applies to prescription costs.

Advocacy and Cancer Support Groups

It's important to remember that you're not alone. MyCellAssist can help connect you with groups and organizations dedicated to supporting you and your loved ones along this journey.

You are not alone. Connect with us so we can support you or your loved one.
